

Privacy Policy for the D1conf.com website

Data protection

With this privacy policy we would like to inform you about how we process personal data. We are aware of the importance of the processing of personal data for the user and, accordingly, comply with all relevant legal requirements. The protection of your privacy is of utmost importance to us. That is why it is a matter of course for us to comply with the legal provisions on data protection.

1. Collection, processing and use of personal information

1.1 Personal data

Personal data is all information about personal and factual circumstances of a particular or identifiable person. We process an information if you have provided us with your contact information or registered on our website or the website of our partner (eg., [Eventbrite.com](https://www.eventbrite.com)), such as your first name, last name, email, phone, company name, for conference speakers it could be a bio, photo, links to social media accounts (twitter, linkedin), video recording and photos of session.

Personal data is all information about personal and factual circumstances of a particular or identifiable person. We process an information if you have provided us with your contact information or registered on our website or the website of our partner (eg., [Eventbrite.com](https://www.eventbrite.com)).

For web page visitors it includes web analytics data, which is collected by the use of Cookies:

- Cookie IDs
- IP address
- Country
- operating system
- when and which pages were opened
- how long a user stayed on pages
- browser version
- browser language

For newsletter subscription it includes:

- name and
- email address

When we register attendees for the D1conf event, it includes:

- first name
- last name
- Email
- contact information

For conference speakers it could be:

- bio
- photo
- links to social media accounts (twitter, linkedin)
- video recording and photos of session.

1.2 Legal basis

The processing of your data is done on the following legal bases:

- With regard to data that you specify in forms etc., with your consent, Art. 6 para. 1 lit. a) GDPR
- in relation to the services you use, to carry out a contract with you (in particular, registration for D1conf event), Art. 6 (1) lit. b) GDPR
- moreover, in particular for statistical data and online identifiers, on the basis of legitimate interests, Art. 6 (1) lit. f) GDPR (see below).

Legitimate interests

As a company, we often have to process personal data in order to carry out tasks within the scope of our business activities. The processing of personal data in this context is not necessarily a legal obligation or a means of fulfilling the terms of a contract with an individual. In such cases, data processing may be justified by "legitimate interests".

With an aim to enhance our productivity and improve our collaboration—under our legitimate interest—we may use your personal data (e.g., pseudonymous identifiers (cookie IDs, hashed user identifiers, hashed transaction identifiers) to provide information relevant to you.

1.3 Storage time

We store your data,

- if you have consented to the processing at the latest until you revoke your consent (for the purpose of sending a newsletter, we renovate your consent once a year);

- if we need the data for the registration (one year);
- the records a video of sessions, photos (up to one year);
- analytics for improving the landing page (12 months).

1.4 Uses

Personal data is collected by us only and only to the extent and for the purpose for which you provide us with the data.

We only use and store your personal data as part of our services for the following purposes, if you have expressly given us your consent:

1. Registration the conference's speakers and attendees;
2. Customer support;
3. Sending newsletters with updates about the D1conf (we use [Cleverreach](https://www.cleverreach.com/en/privacy-policy/) to send the newsletters, their privacy policy is available here <https://www.cleverreach.com/en/privacy-policy/>, if you want unsubscribe you can use an opt out link in a newsletter email);
4. Improve the current user experience, simplify it and make the landing page more informative (we use [Google Analytics](https://policies.google.com/privacy?hl=en) for these purposes, their privacy policy - <https://policies.google.com/privacy?hl=en>).

1.5 Processing overview

Etherisc GmbH promotes and develops new technologies and applications in the fields of new open and decentralized software architectures. The Decentralized Insurance Developer Conference (D1conf) is an annual event organized by Etherisc GmbH and tailored exclusively for insurtech innovators who wish to redefine the entire global insurance industry.

Transfer of information to the third parties

Eventbrite Inc. and CoinPayments.net

In this context, Etherisc GmbH requires registration for attendees and speakers. An attendee pays for a ticket via Eventbrite Inc. (

US based company, a subject of the Data privacy Shield Framework

https://www.eventbrite.com/support/articles/en_US/Troubleshooting/eu-us-privacy-shield-notice?lg=en_US) and CoinPayments.net platforms (EU based company, privacy policy

<https://www.coinpayments.net/help-privacy>). Etherisc GmbH has commissioned Eventbrite Inc. and CoinPayments.net to provide payment services. Eventbrite Inc. and CoinPayments.net act either as a contract data processor in accordance with article 28 GDPR on the instructions of

the customer. The Personal Data provided in order to register for event, it is used to process a payment for a ticket, print an attendee's or speaker's name on a badge.

Etherisc GmbH can inform speakers and attendees about the changes in schedule, send the news about the possible workshops during D1conf.

During a conference, the Etherisc GmbH team can record a video of sessions, take photos.

If you register for an event we usually retain your Personal Data within 1 year. If you register to get the updates about our events we may retain your Personal Data till you are interested to get them (we renovate your consent once a year).

Cleverreach GmbH & Co. KG

If you subscribe to our newsletter, we use Cleverreach GmbH & Co. KG (<https://www.cleverreach.com/>) services to sending messages. You can unsubscribe newsletter at any time by following the unsubscribe link in any email we send.

Google Task Manager

When you contact us by email we use Gmail software (<https://www.google.com/policies/privacy/>) to respond to you. We work with Google Ireland Ltd and do not pass your data outside the EU.

Altoros Americas LLC

Altoros Americas LLC (<https://altoros.com/>) is our software development partner based in Belarus. Altoros Americas LLC is responsible for support and maintenance of website software and infrastructure. Headquartered in the USA, Altoros Americas LLC is an international company with offices in Norway, Finland, Argentina (there is adequacy decision of the European Commission), and Belarus. Belarus may not have equivalent privacy and data protection laws as the laws of many of the countries where our customers and users are based. When we share information about you within and among Altoros Development LLC (Minsk, Belarus), we make use of standard contractual data protection clauses.

Amazon Web Services Inc.

Data storage on our servers, as well as on cloud services provided by Amazon Web Services Inc. We process the personal data on the servers located in Frankfurt. Amazon Web Services Inc. is a subject of the Data privacy Shield Framework (<https://www.amazon.com/gp/help/customer/display.html?nodeId=468496>).

2. Logfiles

Every time you access our Internet pages, usage data is transmitted through the respective Internet browser and stored in log files, the so-called server log files. The records stored in this case contain the following data:

- Domain from which the user accesses the website
- Date and time of retrieval
- IP address of the accessing computer
- Website (s) that the user visits as part of the offer
- Transmitted amount of data, browser type and version
- Operating system used Name of the Internet service provider
- Message if the retrieval was successful

These logfile records are evaluated anonymously to improve the offering and make it more user- friendly, to find and fix bugs, and to control server load.

3. Cookies

Cookies are small files that your browser places on your device in a designated directory. These cookies can be used to determine, for example, whether you have visited a website before. Most browsers accept cookies automatically. However, you can set your browser so that no cookies are stored or an explicit consent is required before saving a cookie. In addition, you can delete previously set cookies at any time. Please note that disabling cookies may result in restrictions on the use of our website.

We need the cookies for the following purposes: to improve the current user experience, simplify it and make the landing page more informative.

4. Web analytics

We use - like almost every website operator - analysis tools in the form of tracking software to determine the frequency of use and the number of users of our website.

Google Analytics

To optimize this website and our offer, we use Google Analytics, a web analytics service provided by Google Inc. ("Google"). Google Analytics uses so-called "cookies", text files that are stored on your computer and that allow an analysis of the use of the website by you. The information generated by the cookie about your use of this website (including your IP address) will be transmitted to and stored by Google on servers in the United States. However, if IP anonymisation is activated on this website, your IP address will be shortened by Google beforehand within member states of the European Union or other parties to the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be sent to a Google server in the US and shortened there. On behalf of the operator of this website, Google will use this information to evaluate your use of the website, to compile reports on the website activities for the website operators and to provide other services related to website activity and internet usage to the website operator. The IP address provided by Google Analytics as part of Google Analytics will not be merged with other Google data. You can prevent the storage of cookies by a corresponding setting of your browser software; however, we point out that in this case you may not be able to fully use all functions of this website.

In addition, you may prevent the collection by Google of the data generated by the cookie and related to your use of the website (including your IP address) as well as the processing of this data by Google using the link <https://tools.google.com/dlpage/gaoptout?hl=de>. Download and install the available browser plugin. As an alternative to the browser add-on or within browsers on mobile devices, please click this link to prevent future detection by Google Analytics within this website (the opt-out only works in this browser and only for this domain). An opt-out cookie is stored on your device. If you delete your cookies in this browser, you must click this link again. For more information, see <https://tools.google.com/dlpage/gaoptout?hl=de>.

Please note that Google Analytics uses the code "gat._anonymizeIp();" on this website. was extended to ensure the anonymous collection of IP addresses (so-called IP masking).

We work with Google Ireland Ltd and do not pass your data outside the EU.

Google Fonts

This site uses web fonts provided by Google to uniformly display fonts. When you open a page, your browser loads the required Google Fonts into your browser cache to display texts and fonts correctly.

To do this, your browser must connect to Google's servers. This gives Google knowledge that our website has been accessed via your IP address. The use of Google Fonts is in the interest of a consistent and user-friendly presentation of our website. This represents a legitimate interest within the meaning of Art. 6 para. 1 lit. f GDPR.

If your browser does not support Google Fonts, your computer uses a standard font.

Further information about Google Fonts can be found at <https://developers.google.com/fonts/faq> and in Google's privacy policy: <https://www.google.com/policies/privacy/>.

We work with Google Ireland Ltd and do not pass your data outside the EU.

5. Rights of the person concerned

Right to information, correction, revocation, complaint, cancellation and blocking.

- You have the right to request information about whether and which personal data we process through you. You also have the right to request the correction of your personal data or its completion.
- In certain circumstances, you have the right to request that your personal information be deleted.
- In certain circumstances, you have the right to request that the processing of your personal data be restricted.
- You may withdraw your consent to the processing and use of your data in whole or in part at any time with future effect.
- You have the right to receive your personal information in a standard, structured and machine-readable format.
- If you have any questions, comments, complaints or requests for information in connection with our privacy policy and the processing of your personal data, you can contact our data protection officer in writing.
- You also have the right to complain to the relevant supervisory authority if you believe that the processing of your personal data violates the legal provisions.

6. Data security and protection

We use data hosting service providers in Germany to store the information we collect, and we do use extra technical measures to secure your data.

These measures include without limitation: data encryption, password-protected access to personal information, limited access to personal data, encrypted transfer of personal data

(HTTPS, IPsec, TLS, PPTP, and SSH) firewalls and VPN, intrusion detection, and antivirus on all the production servers.

The data collected by third party providers is protected by them and is subject to their terms and privacy policies.

The data collected on our websites by Etherisc, as well as the data, which you entrust us under NDAs and contracts, is protected by us. We follow the technical requirements of GDPR and ensure security standards are met without exception.

7. Further information and contacts

Please contact us as controller if you have any questions about this data protection declaration.

The contact address

Christoph Mussenbrock,
Gotthardstr. 26
6300 Zug
Switzerland
dpo@etherisc.com
<https://etherisc.com/> (Support button)

For all requests concerning the security of your data, please contact our privacy team and our data protection officer at dpo@etherisc.com

If you have a particularly sensitive request, please contact our data protection officer by postal mail, as communication by email can always be flawed by security vulnerabilities.

8. Status of this Privacy Policy

17/04/2019

We reserve the right to change this Privacy Policy at any time with future effect.
